Outdoor Steel Pyramid Wood Burning Fire Pit

1 YEAR LIMITED WARRANTY

Step up your outdoor game with our Outdoor Steel Pyramid Wood-Burning Fire Pit — where bold design meets rugged performance. Crafted from durable steel and finished in a protective black powder thermo-sprayed coat, this pyramid-style fire pit offers both striking style and dependable function. Equipped with accessories for safety and maintenance, it's built for evenings under the stars — whether you're warming up after a hike, gathering around for s'mores, or entertaining friends in your backyard..

- **Pyramid Shape for Dramatic Visual Appeal:** The pyramid form is eye-catching — it stands out more than typical bowl or ring styles, creating a strong focal point in your outdoor setting.
- **Steel Construction with High Heat Resistance:** Thick steel holds up under high temperatures, resists warping.
- **Rust Resistant Black Powder Thermo-Sprayed Finish:** The high-temperature resists peeling, chipping, and damage from heat, made to endure rain, humidity, and reduce corrosion.
- **1 Year Limited Warranty:** Peace of mind built in any defects in materials or workmanship.
