

1500W Wall Mounted Radiant Heater with LED Lights

Transform your space with the powerful and sleek **Deko Living 1500W Wall-Mounted Radiant Heater** the ultimate solution for year-round warmth and style. Designed for efficiency and convenience, this heater combines cutting-edge technology with a modern aesthetic, making it perfect for any indoor or outdoor setting. Whether you're cozing up on a chilly evening or extending the comfort of your patio season, ensures reliable and customizable warmth at the touch of a button.

Efficient and Powerful Heating Features a 1500W carbon fiber heating element for quick, even warmth. Infrared technology ensures energy-efficient heating for indoor or outdoor use.

Customizable Comfort Settings Has nine adjustable power settings for precise temperature control. Also includes a 1 to 24 hour timer to schedule heating.

Durable and Versatile Installation Options Waterproof construction ensures reliable indoor and outdoor performance. Can be wall-mounted, hung or ceiling-mounted to suit any space.

Modern Aesthetic with Added Functionality Digital display with touch button controls for easy operation. Includes a remote control for added convenience. Integrated LED lights enhance the visibility and ambiance, making it both practical and stylish.

Description	
Product type	Space Heater
Product SKU	COH40001
Product UPC	671424419565
Color	Black
Frame Material	Steel
Base Type	Does Not Apply
Tip-Over Protection	Does Not Apply
Remote Control	Included
Room Use	Indoor / Outdoor
Supplier Intended Use	Residential Only

Specification	
Certification ID	SGSNA/24/SH/00207
Heating Element	Carbon Fiber Tube
Power Settings	Nine
Wattage	1500 Watts
Voltage	110V
Plug	5-15R
Amperage	15A
Weight & Dimensions	
Dimensions	39.37"W x 4.3"D x 4.3"H
Weight	8 lbs
