

1500W Radiant Carbon Fiber Stand Heater

Stay cozy and comfortable with the 1500W Electric Tower Heater with Carbon Fiber Tube—a sleek, modern, and powerful heating solution for any space. This portable tower heater offers fast, efficient warmth with customizable power settings and advanced safety features. Its oscillating function provides wide-area heat distribution. Your ideal heating companion for both indoor and outdoor relaxation!

Fast and Efficient Heating 1500W power output with a high-performance carbon fiber heating element for instant, energy-efficient warmth. Two & nine power settings to customize the heating and comfort level.

Smart Controls for Ultimate Convenience Digital display with touch button controls. Includes a remote control for adjusting power, timer, and oscillation. 1-24-hour timer allows you to schedule heating sessions.

Wide-Area Heating with Oscillation Oscillating design distributes heat evenly across larger areas, warming up every corner of the room. Ideal for living rooms, patios, or any space that needs quick, consistent warmth.

Safe, Durable, and Weather-Resistant Tip-over and overheat protection provide peace of mind for households with kids or pets. Waterproof design makes it safe for use indoors or outdoors.

Description	
Product type	Standing Heater
Product SKU	COH40005
Product UPC	671424419244
Color	Black
Frame Material	Aluminum
Base	Weighted Base
Tip-Over Protection	Yes
Remote Control	Yes
Room Use	Indoor / Outdoor
Supplier Intended Use	Residential Only

Specification	
Certification ID	SGSNA/22/SH/00003
Heating Element	Carbon Fiber
Power Settings	Two
Wattage	1500 Watts
Voltage	110V
Plug	5-15R
Amperage	15A
Weight & Dimensions	
Dimensions	34.25"W x 34.25"D x 61"H
Weight	12.1 lbs
