

1500W Hanging Radiant Heater

Warm up your space with the sleek and powerful Radiant Heater with 3 Power Settings. This ceiling-mounted heater offers fast, radiant warmth with three customizable heat levels to suit your needs. Powered by two halogen heating tubes, it delivers consistent heat while saving energy. Perfect for patios, balconies, and indoor spaces, this waterproof heater keeps you cozy no matter the weather. With a remote control for effortless adjustments, it's the ultimate combination of style, convenience, and performance.

Customizable Heating Power Three power settings (600W, 900W, 1500W) let you adjust the heat output to match your comfort needs. Two halogen heating tubes provide fast, radiant warmth with energy-efficient operation.

Sleek Hanging/Ceiling Design Space-saving hanging or ceiling-mounted design keeps your floor clear and your space organized. Ideal for patios, porches, gazebos, and indoor areas with limited space.

Easy Remote Control Operation Comes with a user-friendly remote control to adjust heat settings from anywhere in the room. Perfect for hassle-free operation while relaxing or entertaining guests.

Weatherproof and Durable Construction Waterproof design ensures reliable performance in outdoor conditions, making it suitable for patios and covered outdoor spaces. Built to withstand humidity and weather, offering year-round comfort in all seasons.
