80-Inch Metal Wood Burning Fireplace with Log Strage and Side Tables

Deko Living 80-Inch Rectangular Outdoor Steel Wood Burning Fireplace: A Stylish and Functional Outdoor Retreat. Create the Ultimate Outdoor Gathering Spot. Turn your backyard, patio, or garden into a cozy, inviting space with the Deko Living 80-Inch Rectangular Outdoor Steel Wood Burning Fireplace. Combining ample warmth, practical log storage, and side tables for added convenience, this large, durable fireplace is perfect for any outdoor gathering.

- **Generous 80-Inch Length:** The spacious design offers plenty of room for larger fires, ensuring you have plenty of warmth to keep your family and friends comfortable during chilly evenings.
- **Log Storage:** Features an integrated log storage compartment, providing easy access to firewood while keeping your outdoor space organized and tidy.
- **Side Tables for Convenience:** The side tables provide additional space for drinks, snacks, or décor, making it easy to entertain and enjoy your time outdoors.
- **Poker Included:** Comes with a poker tool for safely adjusting logs and maintaining the fire, allowing you to control the heat and flame intensity with ease.
